hard

S -

S₂
oil-coated rubber feel, like tool handle
hard.
solid

From the top of the structure, something should be visible

A- horizontal
curving around
flat
soft
water

B- harbor/bay

To the West of the structure something should be visible

W

A

W

From the base of the structure, south, should be visible

A. wavy down
AOL - rope

~~FOR~~
from 50' TO THE SOUTH

als. - activities.
fishing - pretending to be fishing

als. - tug boat shape

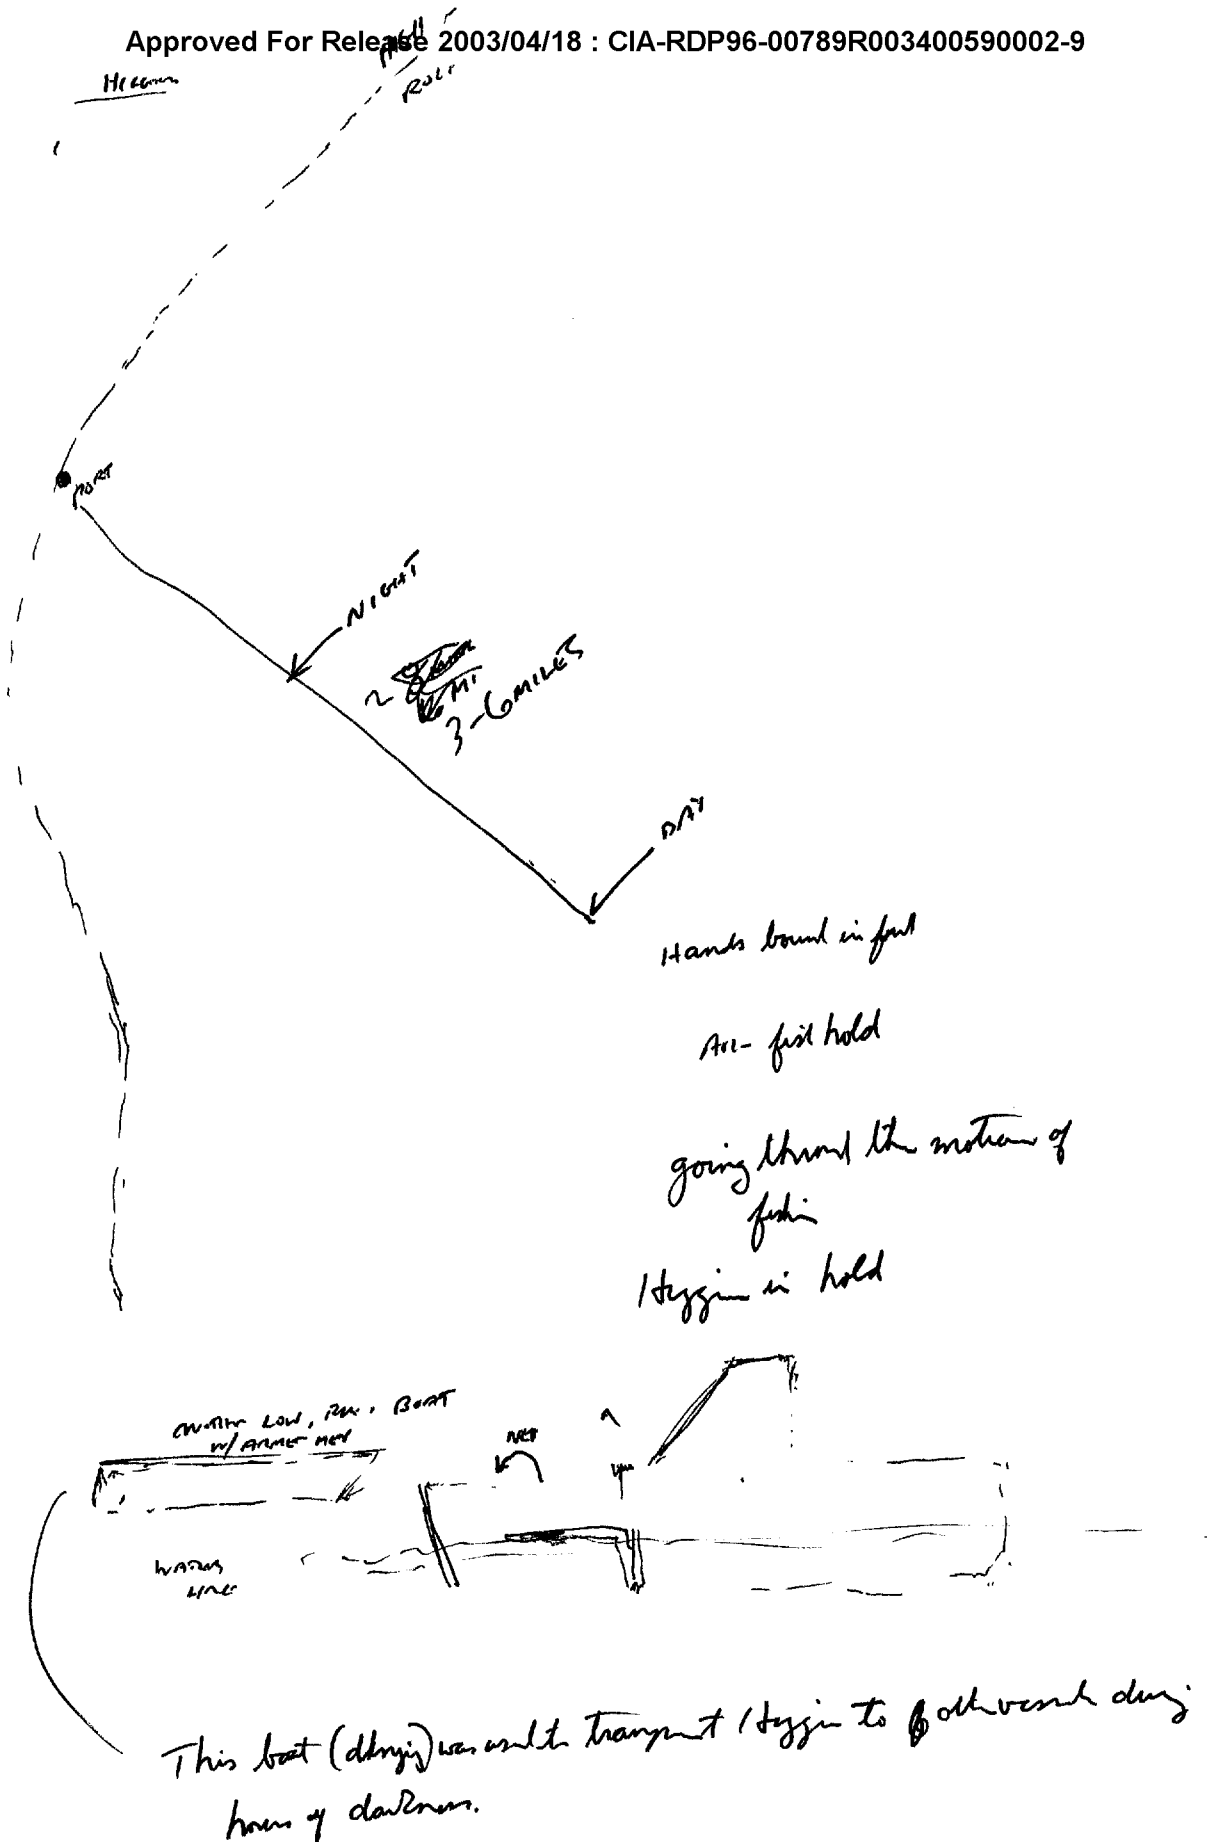

PROMINENT LANDMARK SHOULD BE VISIBLE

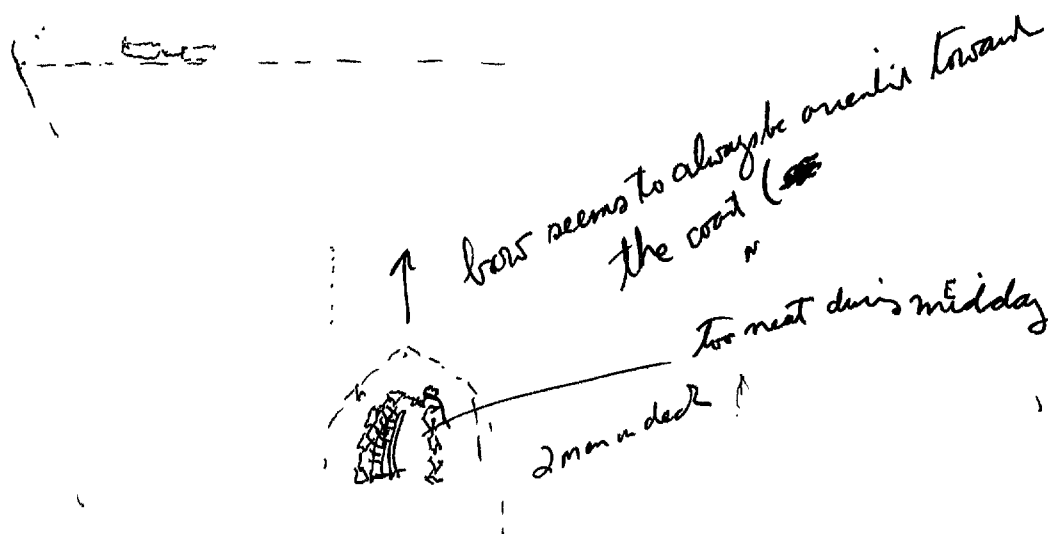

Booy
/ All citizens aware

AOL - Sea of Galilee

People on deck (seems to be two, maybe three) only go thru the motions of fishing when approached. They are not producing a "haul" "catch" is as the vessel "held"

This is 'home' for their abduction...

Small boat "patrol" w/ 4 men, always on the water. Very alert ^{armed} to surveillance vigilant

1037

signals exchange guards (in pilot boat)
